 SUPERVISORY PATENT EXAMINER

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Wootton on April 28, 2006.

The application has been amended as follows:

In the specification:

The first paragraph under the heading "Cross Reference To Related Applications has been deleted and replaced by the following paragraph:

This is a continuation application of U.S. Serial No. 10/116,880, filed on April 5, 2002, now abandoned, which claims the benefit of U.S. provisional application number 60/292,395, filed on May 21, 2001.

In the claims:

Claim 13 (currently amended): A method for the treatment or prophylaxis of a parasitic infestation of flea or heartworm or treatment of tapeworm in a companion animal which comprises administering a topical application or spot-on application to said companion animal an amount of selamectin, and an amount of praziquantel, each amount being effective to treat or provide prophylaxis to the companion animal.

Art Unit: 1623

The following is an examiner's statement of reasons for allowance: applicants arguments filed 4/10/2006 are seen to overcome the rejections of record. The prior art is not seen to teach or fairly suggest the use of selamectin and praziquantel in a topical or spot on formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Traviss C. McIntosh whose telephone number is 571-272-0657. The examiner can normally be reached on M-F 9:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Shaojia A. Jiang can be reached on 571-272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 1623
